Home From Nowhere Remaking Our

In his landmark book The Geography of Nowhere James Howard Kunstler visited the "tragic sprawlscape of cartoon architecture, junked cities, and ravaged countryside" America had become and declared that the deteriorating environment was not merely a symptom of a troubled culture, but one of the primary causes of our discontent. In Home from Nowhere Kunstler not only shows that the original ...

HOME FROM NOWHERE | Kirkus Reviews

"Home from Nowhere" describes how cities and towns can be built or rebuilt that enable its residents to live in a social density traditionally associated with urban life (and in my country, Germany, the term "urban" had and has a positive connotation, socially mixed, culturally mixed, accessible, walking distance, public transportation).
